

# City of Marlborough Official Absentee Ballot Application

2017

**How to use this form**

- Box 1.** Check all the boxes that apply to you. If the absentee ballot is to be used for a primary, circle the applicable party. Remember, in order to participate in a primary, you must be registered as a member of that party or as an unenrolled (independent) voter. Contact your town clerk, city clerk or election commission if you are unsure of your party designation.
- Box 2.** Print your name: last name, first name, middle name or initial.
- Box 3.** Print the address where you are registered to vote: number and street name or rural route number and box number (do not provide a post office box number), apartment number, city/town & full zip code.
- Box 4.** Check the appropriate box indicating your preference for obtaining your absentee ballot. Instead of having the ballot mailed to you, you have the option of voting at your city or town hall at a time arranged with the clerk or election commission. However, you must still submit a timely application. If you have entered a health care facility after twelve o'clock noon of the 5th day before the relevant primary or election, contact the city or town clerk about the proper procedure to be followed. If the voter is applying for absentee ballots for all elections this year, be sure to notify the town/city clerk or election commission of a change of mailing address.
- Box 5.** Print your date of birth: month, day and year.
- Box 6.** It is optional to provide your telephone number. If included, unless you indicated "unlisted" it will be a public record. Your telephone number may be used to contact you should a question arise concerning your application
- Box 7.** It is optional to provide your e-mail address. If included, it will be a public record. Your e-mail may be used to contact you should a question arise concerning your application.
- Box 8.** Print today's date.
- Box 9.** Sign your name. Signed under penalty of perjury.
- Box 10.** If the applicant is unable to complete and sign this application
