Re: Request to change location of Easement at 85 Ames Street

Dear Councilor Clancy:

I represent Central Steel and 320-340 Middlesex Avenue, LLC, located at 85 Ames Street. The City owns an easement over 85 Ames Street property, owned by entity 320-340 Middlesex Avenue, LLC, to a parcel located in the rear of 85 Ames Street which was granted to the City for the purpose of the construction of a fire station on September 23, 2002 by Arturo J. Gutierrez, Trustee of Marlborough/Northborough Land Realty Trust and the easement over 85 Ames Street was part of that conveyance.

Central Steel and 320-340 Middlesex Avenue, LLC seek to construct an addition to the existing building on site, which would require a slight adjustment in the location of the easement as shown on the attached plan. Therefore, on behalf of both Central Steel and 320-340 Middlesex Avenue, LLC I respectfully request that the City Council grant the relocation of the easement as identified on the attached plan.

Sincerely,

Sandra R. Austin
