- 
1. Sky- warns class well attended by some seventy five people from the area.
  2. Household Hazardous Collection in the fall was well attended, looking forward to the spring with Hudson inquiring to be combined. Looking into it.
  3. All paper work turned in for storm "Irene", just waiting to hear from FEMA.
  4. Presidential Declaration for the Halloween Storm was declared Friday 1/6/12, just waiting for informational meetings to be set.
  5. Sligo Hill water tank in progress, with no schedule, not sure where we are going, and proceeding.
  6. ECEMP up-dated 11/29/11 and accepted to notify various departments.
  7. CPR/AED scheduled for the Police Department for the first of the month.
  8. New radios for the Police Dept. ordered and delivered. Should be in use by next month.
  9. Generator being installed at City Hall should be completed by mid February.
  10. Study on generators at Housing on Main Street, Bolton Street, and Pleasant Street under-way. See what size is needed for whole complex. Also the Police department is being looked at.
  11. Next will be the balance of the schools, to see what is needed at these locations
  12. R-911 just waiting for funds for the up-grade. The committee meeting in December was well accepted and has the council's approval, just has not been reported out yet.
