Re: Monthly meeting @ Central Fire Station 215 Maple St. January
20th at 9:00 AM, In classroom.

Please note the time: 9:00 AM

1. New funds from NERAC for additional STARS program planning, have submitted for 6 new locations.
2. Having an opportunity to drill with FEMA at our Water treatment Plant West, in the planning stages.
3. Hazard Mitigation Plan being re-submitted for MEMA's approval, from MAPC after second revue.
4. Dow Chemical to present, current overview of their site, their environmental health, and safety goals, and primary emergency contacts. This will be next month as all are involved in the North Andover incident.
5. Next Generation 911 still waiting for installation of cables, system supposed to be March or April.
6. Some radios, Public Safety, Police and Fire should be programed for the "LPS", State Police shortly.
7. In the process of getting all our Radiology Equipment re-calibrated.
8. Anything else for the betterment of the LEPC, your community!
