Subject: Bolton St and Francis St

I am a resident of Francis Street, I have lived on this street for the past 12 years and as we all know it a highly traveled cut through from both directions, I have seen multiple accidents on the Bolton St. end from people trying to zip across from rice street two that I know of have been police officers. There are also a lot of children living on the street these days as families grow and for myself I fear my children even go near the road. I have spoke with many neighbors to get thoughts on this becoming a one way street from East Main Street to Bolton St. to stop the heavy traffic and beating the Lincoln street light/traffic in the morning hours and the evening hours and many are for it . I will do whatever is needed to help this situation , if I need to have something signed by neighbors I will, if you could help in this we would greatly appreciate it.

Thanks
