Mayor Vigeant Announces 4th Year of Summer Intern Program for Area College Students

MARLBOROUGH – Mayor Arthur Vigeant is pleased to announce that the City of Marlborough will continue its summer intern program for college students for the fourth consecutive year.

Formally known as the “Public Service Internship Program,” this initiative was proposed by Mayor Arthur Vigeant in 2012 and has been funded by the City Council each of the past three years. Since inception, this program has provided real world employment experience to over 40 college students.

“I am very proud of our summer intern program and the opportunity it provides college students to gain valuable experience in their chosen field,” said Mayor Vigeant. “For many future college graduates, internships play a key role in giving them an edge in the hiring process.”

This program is open to all area college students enrolled in various courses of study. Although preference is given to Marlborough residents, all interested college students are encouraged to apply. **The deadline for applications is Friday, May 15th.**

Applications may be picked up in person at the Marlborough Public Library or the Mayor’s Office in City Hall. It is also available for download on the city’s homepage at www.marlborough-ma.gov under the “Quick Links” section.

Completed applications may be dropped off to the Mayor’s office or delivered to:
